

Scanning for production environments with advanced image processing, high-speed, supreme quality color for maximum efficiency

fi-4860C2

Production Color Scanner

Improve scanning processes by letting image processing functions do the work.

- ▶ Hardware-assisted Kofax® VRS Professional image processing functions for enhanced productivity
- ▶ Scan in color at the same speed as monochrome (63ppm / 125ipm @ 200 dpi, Portrait)
- ▶ 500-page automatic document feeder (ADF) with ultrasonic double feed detection
- ▶ Mixed batch scannability with document types of various weights, sizes, colors and shades
- ▶ Enhance productivity with Fujitsu service and support

FUJITSU

THE POSSIBILITIES ARE INFINITE

fi-4860C2

Production Color Scanner

Speed, flexibility and reliability without compromise.

The Fujitsu fi-4860C2 production color scanner doesn't force you to choose between color, quality and performance. With hardware-assisted VRS your overall scanning productivity is greatly enhanced by reducing the amount of effort needed in the document preparation process. Its dual color CCD arrays scan both sides of a page in one pass, enabling you to scan 63 pages-per-minute (ppm) and 125 images-per-minute (ipm), at 200 dpi, in color, grayscale or monochrome. And with a duty cycle rated at 10,000 pages per day, the fi-4860C2 scanner easily satisfies production-level scanning requirements.

A reliable, 500-page ADF accommodates documents ranging from 2.9" by 2.9" up to 11" by 17" and can be configured to hold 250 pages for smaller batches. To ensure proper feeding, the ADF is also equipped with ultrasonic double feed detection ensuring reliable paper throughput. The fi-4860C2 scanner also offers automatic page-size detection and document deskew, which enables you to scan mixed batches of documents. Combined with high-bandwidth SCSI-III connectivity and a full version of Adobe® Acrobat® 7.0, the fi-4860C2 scanner is the ideal addition to any production scanning environment.

On-site warranty helps maximize uptime.

The fi-4860C2 scanner includes a 90-day, on-site, Limited Warranty. For full details on the Limited Warranty and on all service programs, go to www.ImagingService.com or call (800) 301-9475.

About Fujitsu Computer Products of America, Inc.

Fujitsu Computer Products of America, Inc. is a subsidiary of Fujitsu Limited, a leading provider of customer-focused IT and communications solutions for the global marketplace. FCPA provides innovative solutions for the U.S. marketplace. Current product and service offerings include high performance hard disk drives, Magneto-Optical drives, scanners and scanner maintenance, palm vein recognition technology, 10Gb Ethernet switches and degaussers.

fi-4860C2 Scanner Specifications

Functional Specifications		
Technology		Dual Color Charge coupled device (CCD image sensor)
Output	Monochrome/Grayscale	100, 150, 200, 240, 300, 400 selectable
Resolution (dpi)	Color	100, 150, 200, 300, 400 ¹ selectable
Optical Resolution (dpi)		400
Image Enhancement		Automatic content-based rotation, background smoothing, auto color detection, advance clarity, deskew, auto crop and intelligent blank page deletion
Grayscale		10 bit/1024 level (internal), 8 bit/256 level (output)
Scanning speed	Simplex	
	Monochrome, Grayscale & Color @ 200 dpi (portrait)	63ppm ²
	Monochrome & Grayscale @ 200 dpi (landscape)	74ppm
		Duplex
		125ipm ²
		146ipm
Document feeding mode		Automatic document feeder (ADF)
ADF capacity		500 Sheets (selectable 250)
Document size	ADF minimum	(2.9 in x 2.9 in.)
	ADF maximum	(A3) (11.7 in x 17 in)
Interface		Ultra Wide SCSI
Software Driver Support		ISIS and TWAIN driver included (Win 98/2000/NT 4.0/XP)
JPEG Compression		Hardware-based; choose from 7 different levels
Physical Specifications		
Power requirements (auto-switching)		100 – 240 VAC, 50/60 Hz
Power consumption		250VA or less
Operating environment	Temperature	59°F – 95°F (5°C – 35°C)
	Relative humidity	20% – 80% (non-condensing)
Dimensions (HxWxD)		20.5 in. x 17 in. x 20.6 in.
Weight		99 lbs.
Reliability Specifications		
Daily duty cycle		Up to 10,000 pages
Limited Warranty		3 months on-site
Optional Service Programs		In-Warranty Upgrades and Post Warranty (Plus) On-site: ScanCare® (Preventative maintenance + Basic) Basic (Includes parts, labor and travel) Response Time Options: 4-hour or Next Business Day Consumables: ScanAid™ Kits
<i>Terms and conditions apply. A service contract must be executed to purchase all service programs noted in this document.</i>		
Features		Ultrasonic double feed detection, RGB color dropout, Page-end detection, Long document scanning, Hardware-assisted VRS and RoHS compliant
Bundled Software		Kofax VRS Professional, Adobe® Acrobat® Standard, ScanAll 21
Options		Pre-scan and Post-scan Imprinters
fi-4860C2 Part Number		PA03296-B075

¹ Color scanning @ 400dpi supported up to legal size

² Requires Pentium® III 1Ghz PC Computer with 512MB memory or above for optimum color throughput

Adobe Acrobat 7.0 Standard
