

Kodak i55 and i65 Scanners

Perfect for a wide variety of document capture, publishing and archiving needs.

- Simplex (i55) and duplex (i65) scanners for color, black-and-white and grayscale imaging
- Renowned image quality from Kodak with Perfect Page Scanning with iThresholding
- Fast scanning at up to 32 pages—or up to 64 images—per minute
- Automatic document feeder for easy scanning of documents up to 863 mm (34 in.) long
- Built-in flatbed for convenient scanning of delicate or bound materials
- Easy setup and operation with bundled drivers and a robust suite of software, including KODAK Capture Software, Lite
- Dual connectivity: USB 2.0 (card and cable included) and SCSI-2
- Worldwide service and support for your peace of mind

QuickScan Pro

Features and Benefits

Fast scanning: Finish your workload quickly with the automatic document feeder.

Built-in flatbed scanning: Excellent for handling exception documents or bound materials.

Color, black-and-white or grayscale: Get the image types you need, when you need them, including simultaneous output of bitonal and color, or bitonal and grayscale images.

Ready, set, scan:

- Simplified drivers for fast-start installation
- Connectivity for two interfaces: USB 2.0 (card and cable included) and SCSI-2
- Bundled software lets you begin scanning right away:
 - **KODAK Capture Software, Lite**, installs in minutes and helps automate your workflow for maximum performance. It allows scanning, viewing and storing of images in standard batch output formats, for practically any workgroup application. And it's easily upgradeable to the full version of Capture Software.
 - **READIRIS Pro Corporate Edition** provides key functions for locating textual information fast, including multi-page optical character recognition (OCR) and direct scanning to searchable PDF files.
 - **KOFAX CAPIO** for KODAK Scanners (demo version) is an easy-to-use personal filing and retrieval system.
 - **CAPTIVA QuickScan PRO** (demo version) offers image capture functionality and customization features.

Autocrop and deskew: Automated scanning functions help you get through your workload fast.

User-replaceable wear parts: Stay up and running with snap-in parts.

Flexible color dropout: Improve OCR and text recognition by eliminating unwanted background color on your forms. Many colors can be "dropped out" by adjusting the red, green or blue channels via software.

KODAK Service & Support helps you stay up and running

KODAK Service & Support provides peace-of-mind coverage with more than 2,000 certified field engineers worldwide. Plus a global network of parts and distribution, exceptional on-site and help desk service, and a variety of service plans to fit the way you work. And it all comes with customer satisfaction ratings that are consistently above 95%. With KODAK Service & Support, the help you need is always close at hand.

We're here for you.
Kodak Service & Support

As an ENERGY STAR® Partner, Eastman Kodak Company has determined that these products meet ENERGY STAR® guidelines for energy efficiency.

- Height: 199 mm (7.8 in.)
- Width: 567 mm (22.3 in.)
without output tray
833 mm (32.8 in.)
with output tray
- Depth: 350 mm (13.8 in.)
- Weight: i55—6.7 kg (14.8 lbs.)
i65—7.5 kg (16.6 lbs.)

Specifications

Recommended daily volume	Up to 1,500 pages per day		
Throughput speeds	i55 i65		
(Portrait, A4, USB 2.0) ppm = pages/minute (simplex) ipm = images/minute (duplex)	Color 150 dpi resolution	25 ppm	25 ppm/50 ipm
	Grayscale 200 dpi resolution	32 ppm	32 ppm/64 ipm
	Bitonal 200 dpi resolution	32 ppm	32 ppm/64 ipm
	Bitonal 200 dpi fixed threshold	36 ppm	36 ppm/72 ipm
Scanning technology	i55: single CCD i65: dual CCD Grayscale output bit depth is 256 levels (8-bit) Color capture bit depth is 48-bit Color output bit depth is 24-bit		
Optical resolution	600 dpi		
Illumination	Cold cathode fluorescent lamp		
Output resolution	75, 100, 150, 200, 240, 300, 400 and 600 dpi		
Maximum document size	Flatbed: 215 x 297 mm (8.5 x 11.7 in.) ADF: 215 x 863 mm (8.5 x 34 in.)		
Minimum document size	Flatbed: less than 25 x 25 mm (1 x 1 in.) ADF: 94 x 140 mm (3.7 x 5.5 in.)		
Paper thickness and weight	Flatbed: From onionskin up to 38 mm (1.5 in.) thick bound materials ADF: 16 to 28 lbs. (60 to 105 g/m²)		
Feeder	Automatic document feeder for loading of up to 75 sheets of 60 g/m² (16 lb.) paper		
Multi-feed detection	Via length detection		
Connectivity	SCSI-2 Interface: HD50 (50-pin) connectors USB 2.0 (card and cable included)		
Bundled software	TWAIN and ISIS drivers; KODAK Capture Software, Lite; READIRIS Pro Corporate Edition; KOFAX CAPIO for KODAK Scanners (demo version); CAPTIVA QUICKSCAN PRO (demo version)		
Imaging features (in the scanner)	Perfect Page Scanning with iThresholding, autocrop, aggressive crop, deskew, electronic color dropout, halftone removal, noise removal		
Compression	CCITT Group IV; JPEG or uncompressed output		
File format outputs (from bundled drivers)	JPEG (for color and grayscale images) TIFF (for bitonal images)		
Warranty (U.S. and Canada)	One-year warranty		
Electrical requirements	100-240 V; 50-60 Hz; universal power supply included		
Power consumption	i55 i65 Running: ≤30W ≤35W ENERGY STAR: 8W 8W		
Environmental factors	ENERGY STAR qualified scanners Operating temperature: 10-35° C (50-95° F) Operating humidity: 20-85% RH		
Acoustical noise (operator position sound pressure level)	Standby mode: 20.6 dB(A) Operating mode—Flatbed: 53.5 dB(A) Operating mode—ADF: 47.5 dB(A)		
Minimum PC configuration	1 GHz processor; 512 MB RAM		
Supported operating systems	WINDOWS 98SE, Me, 2000, XP (only WINDOWS 2000 and WINDOWS XP support USB 2.0)		
Approvals and product certifications	UL/C-UL, TUV/R/GS, CE, C-Tick, VCCI Class B, BSMI Class B, FCC-Class B, EN 55022 Class B, EN 55024, EN 61000-3-2 Powerline Harmonics, EN 61000-3-3 Flicker		
Consumables available	Feed module (2 sets of 2 included in the box)		

Specifications are subject to change without notice. Throughput speeds may vary depending on your choice of driver, application software, operating system and PC.
